Treasurer's Report: We have around \$22,000.00 after paying for the 2nd half of the backstop fence

Old Business:

#### **Templin Grant:**

-The backstop fencing is done, the scoreboard is installed, and the backstop building just needs the stairs built and the trim painted before we are wrapped up with that project. The scoreboard had a glitch this week, and Trenton is going to the park tomorrow to see if he can get it operational again. The backstop needs some backing per recommendation of the fencing company so that the fence doesn't bow.

#### **Baseball/Softball/Tball:**

-Baseball games have started, no issues so far. Please be mindful of where the switch for "Iron Mike" is in the cage, this can turn into a safety issue really quickly.

- Softball practices are underway, with games starting the 2nd week of May. We can discuss facemask guidelines for next year, possibly only providing one free mask per child, and/or making it mandatory for the parents to purchase. We need to discuss if we would like to make face guards on helmets mandatory for softball in the future.

-T-ball registration is closing tomorrow, April 22nd. We have 30 kids signed up right now. We have 4 people who have volunteered to head coach; Trenton Garlock, Kevin Pellervo, Jake Tucker, and Kevin Brown. We have a few highschoolers who would like to assist with coaching.

-Norm is working on jerseys, we weren't very happy with what we ordered, so he has ordered full button down jerseys for the Babe Ruth team for free for us.

-Adam suggested an end of season spring sports BBQ and movie night. Discuss details and dates as the season gets closer.

**Hit-a-thon:**

-New date proposed for Sunday, May 19th. Adam suggested we have a BBQ and concessions.

**Concessions:**

Megan has created a google doc sheet with concessions sign-ups and will get it emailed to all the spring sports players as soon as we have game schedules, keep a lookout in your emails for this coming soon. We need more volunteers.

New Business:

**Liaisons:**

-We will be needing a new football and softball liaison, suggestions?

**Date of next meeting: Sunday, May 19th, 2024 at 6pm**
